SPTA RESOLUTION NO. 08, S. 2025

**A RESOLUTION CONDUCTING A SCHOOL FACILITIES AND CLASSROOM COMFORT REVIEW TO
SUPPORT LEARNER WELFARE**

WHEREAS, Section 2 of DepEd Order No. 13, s. 2022 mandates the PTA to support programs and projects that promote the welfare of learners and enhance the learning environment;

WHEREAS, the National Building Code of the Philippines (P.D. 1096), particularly Sections 804–806, prescribes minimum standards for ventilation, lighting, and spatial arrangements to ensure safety and comfort;

WHEREAS, the Sanitation Code of the Philippines (P.D. 856), Chapter VII, requires that schools maintain adequate lighting, ventilation, and environmental conditions conducive to learning;

WHEREAS, classroom comfort — including proper ventilation, adequate lighting, and ergonomic seating — contributes significantly to student concentration, well-being, and overall academic performance;

WHEREAS, the SPTA acknowledges the government's limited capacity to fully finance projects of this nature, yet remains steadfast in pursuing initiatives that address these needs through collaboration, resource mobilization, and community support;

NOW, THEREFORE, upon motion duly seconded, **BE IT RESOLVED** by the School Parent-Teacher Association of San Francisco Elementary School, in a meeting held on [date], that:

1. The SPTA, through the **Facilities & Maintenance Committee**, shall conduct a **School Facilities and Classroom Comfort Review** covering ventilation, lighting, seating arrangements, and other environmental factors affecting learners' comfort and safety.
2. The review shall include:
 - a. Site inspections of all classrooms and key learning spaces;
 - b. Measurements of lighting (lumens) and temperature (°C) where applicable;
 - c. Consultations with teachers and students on comfort-related concerns.
3. A **Consolidated Report** containing findings and recommendations, with references to compliance or non-compliance with **DepEd standards, the National Building Code, and the Sanitation Code**, shall be presented to the School Head within **30 days** from the start of the review.
4. The SPTA shall prioritize feasible comfort-improvement projects in alignment with available resources and school priorities

5. Any **new improvements, equipment, or installations** introduced to classrooms and the school as a result of this resolution shall be **audited regularly for effectiveness** by the current SPTA officers and the succeeding SPTA administration, ensuring sustained benefits to learners and transparency in project outcomes.

RESOLVED FURTHER, that copies of this resolution be furnished to the School Head, SPTA officers, and posted on the SPTA bulletin board and official online channels to encourage community involvement.
